## Amberlea Meadows 2023 Sponsor Package:

We are pleased to present the sponsorship opportunities for 2023. Amberlea Meadows has grown from its modest beginning to become a first class show facility. Today we are considered the premier horse show facility in Northern Alberta. We are proud to say that we are the only facility in this area of the province designed to accommodate large equestrian tournaments and festivals. The economic impact of our shows is considerable as competitors often stay at nearby hotels and frequent local restaurants and stores. Our commitment to growth and expansion allows us to continue to keep up with the demand to host large equestrian competitions in this area. We'll run shows, horse friendly facilities, coupled with great accommodations for both horses and their riders will continue to draw equestrians and their horses to Amberlea Meadows from Western Canada and the Pacific North Western US.

We have made dramatic strides forward in the development of equestrian sport and look forward to continuing to provide benefit to sponsors, competitors and spectators alike.

Show jumping has been one of the cornerstones in the development of Amberlea Meadows. Numerous tournaments are held annually with our signature event being the Jump with Hope for Kids with Cancer Horse Show. The thrill of show jumping is captivating as both horse and rider combine their efforts to challenge the fences on the course.

Dressage has also been instrumental at Amberlea Meadows. The grace and beauty of dressage is enchanting as both horse and rider display what can be likened to ballet on horseback. Two national tournaments are held annually that brings together international officials and competitors from across western Canada.

Amberlea Meadows holds a special place in many hearts. For some people it is an overwhelming desire to be around the horse which it may have started when they began riding as young child. Whatever it is, the feel and smell of the straw and hay or, the warmth of the horse, even on a very cold winter day something draws them to horses. For them, Amberlea Meadows is their second home, a part of the growing community of likeminded children, young adults, adults and even seniors who all hold a similar passion for the horse. For those people Amberlea Meadows is the place to be on any day, rain or shine!

## **JUMPING TOURNAMENTS**

Amberlea Meadows hosts three jumping events that are highly regarded as family oriented, competitor friendly and educational for riders of all ages. The classes offered provide encouragement for beginners, whether child or adult and progress through the novice to professional levels. Each of these shows has their own unique characteristics and are a delight to participate whether as a fan or rider. The two shows are:

**SPRING WELCOME**

**April 28 – 30, 2023**

**HARVEST CLASSIC**

**September 15-17, 2023**

In addition to the classic jumping events listed above Amberlea Meadows is host to a major equestrian tournament:

**JUMP WITH HOPE FOR KIDS WITH CANCER HORSE SHOW July 20– July 23, 2023**

### **SPONSORSHIP GOAL:**

**Our goal is to provide maximum exposure for your organization by utilizing all aspects of our event promotion and to show your organizations support of our chosen charity. In short, develop sport, commerce and bring a great deal of hope to those affected- People helping people.**

## **DRESSAGE TOURNAMENTS**

Amberlea Meadows hosts one Equine Canada recognized Dressage show each year. By hosting a high-quality event, we will endeavor to continue to attract riders from the U.S. and Canada. Dressage is a growing equestrian sport that is gaining popularity as a spectator sport as well as with competitors.

The highlight of any Dressage tournament is the evening of the Freestyle—an enchanting and demanding display of ‘dancing’ horses. These two events have the promise of being elegant and magical when combined with some of the finest “dancing horses” in North America!

**The Amberlea Meadows Dressage Festival July 8-9, 2023**

### **JUMP WITH HOPE FOR KIDS WITH CANCER HORSE SHOW OUR COMMITMENT TO THE KIDS WITH CANCER SOCIETY**

Amberlea meadows enjoys a special and highly personal relationship with the Kids with Cancer Society, and stages this showcase event annually to demonstrate their commitment and support to this important charity. It has hosted this event annually since its inaugural year of 2001 with the exception of 2020 where the event was cancelled due to the Covid-19 pandemic. This year marks the 22nd anniversary of this fundraising show. The event has grown in terms of sponsors support, media interest and involvement, facilities improvement and most important of all, its ability to raise funds for the Kids with Cancer Society.

Numerous events are held in conjunction with the tournament where riders compete for prize money in spirited and challenging events and then can donate all or a portion of their winnings to the Kids with Cancer Society. Unique fund-raising events are held in conjunction with the show, such as the Kubota Ride N'Drive with a Calcutta. This together with a parade of child cancer survivors and their sibling's serves as a heart-warming reminder of why we host this event. Every year we host a BBQ, silent auction, children's fun events and other highlights that help raise funds for the Kids with Cancer Society. The media has been extremely supportive of this event in the past. We believe that together we can make a difference in the battle against childhood cancer.

**If you are a sponsor this means your logo, and the link to your website was available to our audience on every page that was viewed. It should also be noted that the demographics for horse owners and competitors, who are our viewers, demonstrate that these individuals and the parents who support them are very often in the decision-making areas in their businesses. Which incidentally, may be your businesses target market? This means with our website address being so popular we are Marketing your business every day and, on every page, all year!**

**A wide variety of sponsorship opportunities are available in terms of the equestrian discipline chosen to support and the financial commitment levels available. All sponsorship partners play an integral part in the development of equestrian sport at Amberlea Meadows. We invite you to become part of the excitement and opportunities available to you with the programs offered at Amberlea Meadows.**
